REUNION. The Office of Alumni Relations would like to congratulate all alumni whose class years end in a "2" or a "7" as they celebrate their Reunion. Reunion festivities are planned for June 8-10th on-campus. Committees for each of the classes celebrating their Reunion have been established and volunteers are beginning to contact their fellow classmates to encourage their participation in Reunion. For more information such as a schedule of events, a list of who's coming and to register please visit www.scranton.edu/reunion

CLASS AFFINITY. Alumni Relations and Student Affairs have established a student task force to investigate the status of class affinity at the University. Class affinity refers to the bond between students of the same class year and their connection to the University. The task force is comprised of twelve undergraduate representatives from Student Government and the Programming Board. Over the course of the spring semester the students will analyze the experiences that shape class affinity, conduct a benchmarking study of other universities and make recommendations on future steps to increase class affinity among students.

BY THE NUMBERS. The numbers are in. The Alumni Society hosted 100 events during the calendar year 2006, excluding Board, club and affiliate meetings and recorded 4,647 attendees. In addition, there are over 5,000 alumni who carry the official credit card, 2,219 who are insured through our group insurance program and 577 who have a University of Scranton license plate on their automobile. Thanks to all who support these and all of the programs and services sponsored by the Alumni Society.

ON THE CALENDAR. Of particular note are some forthcoming events worthy of attention: The Medical Alumni Symposium, sponsored by the Medical Alumni Council, Brunch & A Matinee, sponsored by the Golden Grads affiliate, alumni group travel programs, a Football-*Undeclared Since 1960*-Reunion, Lenten Retreats, community service, and family events. Thanks our entire alumni club and affiliate volunteers who contribute their time and talents in planning and promoting events for the Alumni Society.
