Editor's Note: The program competed as a fall sport from 1976 through 1982, before becoming a spring sport in 1984. It remained a spring sport until 1993, when it switched back to the fall and stayed this way until 2006. In conjunction with the university's decision to join the Landmark Conference in the fall of 2007, women's tennis is now a spring sport.
